

BISOMAC 210

Traction Hoist for Suspended Platform

Advanced Technology Delivers
Maximum Power In A Compact,
Lightweight Design

Suspended Platform with
BISOMAC210 Traction Hoist

NIHON BISOH is proud to announce the release of the new BISOMAC210 Traction Hoist, a remarkably compact and lightweight Traction Hoist featuring our exclusive patented mechanism. Easy to maintain and highly durable, this full-powered, full-featured BISOMAC210 is the next-generation traction hoist for the new era of ultra-high-rise buildings.
